You'll get "A Good Marriage" plus three other great stories, and might not feel so ripped off. Below I am posting the product description for Stephen King's Full Dark, No Stars. The acclaimed #1 New York Times and undisputed King of Horror Stephen King delivers five unforgettable short works, two of which will soon be adapted for film, and which Booklist called raw looks at the limits of greed, revenge, and self-deception. Like Different Seasons and Four Past Midnight, which generated such enduring hit films as The Shawshank Redemption and Stand by Me, Full Dark, No Stars proves Stephen King a master of the long story form. I believe there is another man inside every man, a stranger writes Wilfred Leland James in the early pages of the riveting confession that makes up 1922, the first in this pitch-black quartet of mesmerizing tales from Stephen King. For James, that stranger is awakened when his wife Arlette proposes selling off the family homestead and moving to Omaha, setting in motion a gruesome train of murder and madness. In Big Driver, soon to be a major Lifetime movie

starring Maria Bello, a cozy-mystery writer named Tess encounters the stranger is along a back road in Massachusetts when she takes a shortcut home after a book club engagement. Violated and left for dead, Tess plots a revenge that will bring her face to face with another stranger: the one inside herself. Fair Extension, the shortest of these tales, is perhaps the nastiest and certainly the funniest. Making a deal with the devil not only saves Harry Streeter from a fatal cancer but provides rich recompense for a lifetime of resentment. In the last of the tales, soon to be a major motion picture, Darcy Andersons husband of more than twenty years is away on one of his business trips and his unsuspecting wife looks for batteries in the garage. Her toe knocks up against a box under a worktable and she discovers the stranger inside her husband. Its a horrifying discovery, rendered with bristling intensity, and it definitively ends A Good Marriage. 0 of 0 people found the following review helpful. Disappointing By B. Hood I am usually such a fan of Stephen King, but this set of stories just did nothing for me at all. I feel like Stephen King went through a slump and somehow these got published in spite of the mediocrity of this compilation. I even went back and tried to re read a story, thinking maybe I just missed something along the way, but these stories just didn't work for me. I'm sorry to say that these are just Not up to his usual fantastic writing standard. 0 of 0 people found the following review helpful. Not what I was expecting.... By Customer Dont get me wrong, the stories are definitely intriguing... But what the heck is up with this novel? The preface tells us we are going to read about Darcy's husband, but then that "story" ends and a completely different one begins. I was quite thrown off. Had it stated there were two stories in one book, Id have rated this a 5, but because I kinda felt ripped off (expecting to have the entire book be what the preface explains) but instead it goes into some weird ever typical Stephen King story. What was really odd is that the first story is rather..."normal" for King. But he more than made up for its normalcy in the second story. So, folks, be warned, the book is NOT based entirely on the story of Darcy and her husband. Its still a good read, just dont be surprised when 1/2 way through the book you find you are reading something quite different!

Soon to be a major motion picture starring Kristen Connelly, Joan Allen, and Anthony La Paglia, Stephen Kings short story, A Good Marriage from Full Dark, No Stars is now available as a stand-alone audio edition! Bob Anderson, Darcys husband of more than twenty years, is away on one of his business trips, when his unsuspecting wife looks for batteries in the garage. Her toe knocks up against a box under a worktable and she discovers she doesnt know her husband at all, but rather has been living with a stranger. This horrifying discovery, rendered with bristling intensity, could be the end of what Darcy though was a good marriage

About the Author Stephen King is the author of more than fifty books, all of them worldwide bestsellers. His recent work includes The Bill Hodges Trilogy Mr. Mercedes (an Edgar Award winner for Best Novel), Finders Keepers, and End of Watch and the story collection The Bazaar of Bad Dreams. His epic series, The Dark Tower, is the basis for a major motion picture starring Idris Elba and Matthew McConaughey. It is also now a major motion picture starring Bill Skarsgrd. King is the recipient of the 2014 National Medal of Arts and the 2003 National Book Foundation Medal for Distinguished Contribution to American Letters. He lives in Bangor, Maine, with his wife, novelist Tabitha King.
