Mr Michael David Brannan : A Guide To Hiking And Camping In Yosemite before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide To Hiking And Camping In Yosemite:

This book will help you with every part of vacationing in Yosemite National Park. It has detailed information on making reservations, getting permits, chosing a campground, and finding the best hike for you. It is loaded with beautiful pictures, accurate maps of every major campground and hiking trail, and detailed descriptions of all of the

trails, campgrounds, and facilities within the park.

About the Author Michael Brannan is a Natural Resource Geographer and an avid outdoorsman with over twenty years experience in adventure travel. He has published articles, short stories, blogs, and books on a wide variety of subjects. His areas of specialization are in cartography (map making), photography, hiking, backpacking, camping, outdoorsmanship, fly fishing, bouldering, and recreational canoeing/kayaking. He shoots all of his own photos, and when researching a new book or article Michael does all of his own field work and spends hundreds (if not thousands) of hours in the place he is writing about.
