Rene Laubach : A Guide to Natural Places: In the Berkshire Hills before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to Natural Places: In the Berkshire Hills:

The perfect companion for a stroll in the Berkshire hills and fields. The book describes facilities, geological physical highlights, plant communities, and animals, including mammals, birds, reptiles, amphibians, and fish for 33 sites in a clear, simple, easy to use format. This guide also covers wildlife observation tips, seasonal highlights, and Berkshire natural history, and includes detailed maps, illustrations and directions.
