Beryl Ratzer : A Historical Tour of the Holy Land before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Historical Tour of the Holy Land:

0 of 0 people found the following review helpful. beautiful and informative By Louis D This is a beautiful book with many photos and maps. It gives a good history of the area and the sites. It is too large to carry in a purse but easily fits in a small daypack or tote so could be carried for a reference. It's a great overview before you tour and a lovely keepsake. It's also a beautiful, informative book if you never get the opportunity to visit the Holy Land. 0 of 0 people found the following review helpful. excellent overview By Dr. Edward Thompson well written and an interesting read 0 of 0 people found the following review helpful. Five Stars By bshort easy history and great pics.

As a veteran Israeli guide I realised that there was no concise history book for the amateur historian wanting to understand the complex history of this small piece of land nestled between Egypt and the Fertile Crescent so I wrote and published this book in 1996. An updated edition was published in 2000 and the third edition in 2010. My greatest joy is when people who are not history buffs tell me they enjoyed the book and learnt from it.

...authored by a skilled veteran tour guide Beryl Ratzer, A Historical Tour will help your visit focus on the true worth and value of our holy land (Israel) within the context of our faith in G-d and love of the Land of Israel. --Alan Jay Gerber, The Jewish Star: The Kosher Bookworm
From the Author
As a veteran Israeli guide I realised that there was no concise history book for the amateur historian wanting to understand the complex history of this small piece of land nestled between Egypt and the Fertile Crescent so I wrote and published this book in 1996. An updated edition was published in 2000 and the third edition in 2010. My greatest joy is when people who are not history buffs tell me they enjoyed the book and learnt from it.
From the Back Cover
Canaanites, Israelites, Assyrians, Babylonians, Greeks, Romans, Crusaders, Mamelukes, Jews, Christians and Moslems - you will meet them all in the pages of this book.
