Are you traveling to Animal Kingdom for the first time or the fiftieth? Do you want to know how to get the most out of your magical vacation? This is your book! I have included a breakdown of all the rides and attractions with honest, down-to-earth reviews and a dash of my wicked sense of humor. Also included are tours, new attractions and a look into the planned Pandora area of James Cameron Avatar fame. This book is new for 2013!
