**R. Todd Felton : A Journey into the Transcendentalists' New England (ArtPlace series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Journey into the Transcendentalists' New England (ArtPlace series):

0 of 0 people found the following review helpful. All roads led to Concord...By Art SeveranceAn interesting "hometown" background story to the famous characters we have all heard of, butthis book gives a feeling for where they lived and the places themselves become characters...0 of 0 people found the following review helpful. Five StarsBy bill w.who are tese guys?0 of 0 people found the following review helpful. Five StarsBy JulianneBeautiful, informative, and valuable if studying the transcendentalists.

The New England towns and villages that inspired the major figures of the Transcendentalism movement are presented by region in this travel guide that devotes a chapter to each town or village famous for its relationship to one or more of the Transcendentalists. Cambridge, where Ralph Waldo Emerson delivered his powerful speeches is highlighted, as is Walden, where Henry David Thoreau spent two years attuning himself to the rhythms of nature. Other chapters retrace the paths of major writers and poets of the period as well as the utopian communities of the time. This invaluable traveling companion offers street maps, historical illustrations, and narratives that create a vivid sense of New England in the 19th century.

"A beautiful book...The author sends the reader on a journey without intrusion, like the best of guides." American Transcendentalists website
