Chicago Botanic Garden : A Journey to Nine Islands before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Journey to Nine Islands:

Accompanied by charming and accessible text, the floral centerfolds of Journey to Nine Islands invite the reader to participate in the world of the Chicago Botanic Garden one of the nations most visited public gardens and a preeminent center for learning and plant science. This remarkable volume showcases these lush and extraordinary gardens with 96 pages of beautifully reproduced full-color photography capturing images from Chicago Botanic Garden sites as diverse as the English Oak Meadow, the Rose Garden, the Prairie, and the exquisite Heritage Garden. The breathtaking images featured in this volume represent only a small portion of the stunning blooms on view year-round at the Botanic

Gardena magisterial landscape that changes with the seasons, welcoming plants like the late-blooming sawtooth sunflower in the early autumn and the panicle hydrangea in the heat of midsummer. A fascinating read for the weekend gardener, a thoughtful gift for your favorite flower lover, and beautiful, portable reference to the wonders of this urban oasis, *Journey to Nine Islands* is an impeccable companion to this national treasure.

About the AuthorThe Chicago Botanic Garden, one of the green treasures of the Forest Preserve District of Cook County, is a 385-acre living plant museum featuring 23 distinct display gardens surrounded by lakes, as well as a prairie and woodlands, with a living collection of 2.3 million plants.
