Natalie Henley : A Kid's Guide to Disney World before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kid's Guide to Disney World:

1 of 1 people found the following review helpful. Very Disappointed.By Jennifer B.DO NOT BUY! The pictures are bad and the descriptions are vague. Anyone could have made this in Word with googled pictures. Most of the book is empty for journaling. I really wanted a book that would get my kids excited for their vacation, I am very upset, this book is cheaply made and useless, especially for the \$20 price tag.

Do you know a kid who is planning on going on vacation to Disney World? This book is a great way for a kid to be introduced to this upcoming vacation of a lifetime to Disney World! Giving a kid the gift of this book will allow them the opportunity to learn some of the fun Disney World has to offer, help them plan the fun and to give them a great souvenir for collecting their vacation memories while in the parks! The book includes the following: The "Planning Your Trip to Disney World" section of the book give kids an introduction to some of the attractions, shows and restaurants they can enjoy in Disney World. The "Your Packing List" section helps the kid begin their packing for the vacation. The "Character Signature" section will surely be a hit while on vacation! Kids will use this section of the book to collect their favorite character signatures throughout the parks! The "Favorite Photos" section gives kids their own space for collecting their favorite photos from their vacation once home from vacation. Finally, the "Your Personal Story from Your Vacation to Disney World" section invites your child to make their own journal about their

vacation to Disney World! Give this book to a kid going to Disney World and they will keep it for years as they relive all the special moments of their vacation!

About the Author Natalie Henley enjoys spending their time with her family and friends in the Disney parks. Wanting to help others experience the parks has become a passion. She currently owns two Disney-themed website, TheDisneyMoms.com and MeetTheMagic.com, which help people plan for their vacation to Disney. Natalie has also authored Strategies for Paying for Disney, a book which helps people plan for, save for and experience their most magical vacation to Disney World or Disneyland.
