Natalie Henley : A Kid's Guide to Disneyland before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kid's Guide to Disneyland:

Do you know a kid who will be heading on a vacation to Disneyland? This book is a great book to give that kid so they can learn, plan for and get excited about their upcoming vacation! The book opens with a story that gives the kid a sneak peek at both of the Disneyland Parks by introducing several attractions which helps to ignite a spark within the child so they feel compelled to help in the planning of the vacation! Following the story, the book includes: The "Planning Your Trip to Disneyland" section of the book to help keep notes on what attractions, shows and restaurants they most want to visit during their Disney vacation. The "Your Packing List" section helps your child plan for and help in the packing for the vacation. The "Character Signature" section will surely be a hit while on vacation. Your child will use the book to collect their favorite character signatures! The "Favorite Photos" section, your child can add their very own photos from their vacation once home from vacation. Finally, the "Your Personal Story from Your Vacation to Disneyland" section invites your child to make their own journal about their experiences! Give your child the gift of a great vacation and this book to help your child relive all the special moments!
