I wouldn't have had the courageBy CustomerSometime in the early Twenties, two nice girls from New England and a 1918 Model T Ford named Henrietta set off from Boston: destination Los Angeles, aim adventure. They achieve both. Heading west, they take the northern route, visiting Yellowstone and the Pacific Northwest before turning south to California. Returning, they visit the Navajo and Hopi Reservations, Santa Fe and Taos, then head for St. Louis. They then turn south and travel partially by riverboat to New Orleans. A good read.
