John Fraser Hart : A Love of the Land: Selected Writings of John Fraser Hart before purchasing it in order to gage whether or not it would be worth my time, and all praised A Love of the Land: Selected Writings of John Fraser Hart:

John Fraser Hart is one of Americas best known geographers and his prolific writings about the land and its variegated character are elegant and informed. In A Love of the Land, geographer John C. Hudson has gathered a collection of Harts seminal essays from the last fifty years, which have received wide literary and scholarly acclaim.

John Hart masters his subject matter, writes fluidly with verve and flair, and his works will be reviewed, studied, and replicated by young geographers and others for years to come. In short, this sample of Harts writings is a splendid

distillation of his thinking.
