**Anatoly Mariengof : A Novel Without Lies (New Russian Writing)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Novel Without Lies (New Russian Writing):

"Exaltation, hope, despair and a passion for a transfigured future combined with savage humor and intoxicated

imagery."The Times Literary Supplement The turbulent life of a great poet against the flamboyant background of 1920s Bohemian Moscow. With its lively style and psychological insight, this memoir about Sergei Esenin has abiding value for scholar and general reader alike.

"Esenin was a living, vibrant hub of that artistic energy which we call the highest manifestation of Mozartian talent and the Mozartian element." --Boris Pasternak
