Kim Foley MacKinnon : A Parent's Guide to Boston (Parent's Guide Press Travel series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Parent's Guide to Boston (Parent's Guide Press Travel series):

3 of 3 people found the following review helpful. travel your own cityBy William Madsen HardyIt's a cliché that everything is different once you have kids. But in the case of traveling, it is definitely true. Now that I have two toddlers, most of the traveling I do is right in the city where I was born and raised. That's why I want to recommend MacKinnon's book - to everyone, but especially to fellow Bostonians. With lots of interesting finds and sensible advice, MacKinnon makes bringing kids (even the youngest ones) into the city seem fun and manageable, whether you are flying into Logan or just taking the T. Some nice day trips are also included.0 of 0 people found the following review helpful. travel your own cityBy William Madsen HardyIt's a cliché that everything is different once you have kids. But in the case of traveling, it is definitely true. Now that I have two toddlers, most of the traveling I do is right in the city where I was born and raised. especially to fellow Bostonians. With lots of interesting finds and sensible advice, MacKinnon makes bringing kids (even the youngest ones) into the city seem fun and manageable, whether you are flying into Logan or just taking the T. Some nice day trips are also included. 4 of 4 people found the following review helpful. For EVERY parent who visits Boston! By A Customer Lots of guides give you advice and stuff to do in Boston. Some even get specific, offering fun suggestions for night owls, or museum lovers or history buffs. Finally, an easy-to-read, VERY helpful guide for PARENTS! We had a couple guides, but this was the only one we used. Plus, you can DEFINITELY tell that the author lived in and loves the city. Thumbs up all the way around. Waiting on the dog lover's guide next . . .

Offering parents insider advice on the sights in and around Boston, this travel guide shows that there's more to Boston than Freedom Trail and Fenway Park. It covers all the things that parents and kids will love to do together, including downtown Boston, taking a ferry out to the Boston Harbor Islands for a picnic, the Lantern Festival, and ice skating on the Frog Pond in Boston Commons. Families will enjoy Back Bay, quirky Harvard Square, the Italian North End, and many other neighborhoods. Also included are resources for kid-friendly places to eat, accommodations, easy-to-read maps, tour operators, and special deals.

About the Author Kim Foley MacKinnon is a journalist, editor, and mother. Her work has appeared in the Boston Globe and many other Massachusetts area publications. She lives in Roslindale, Massachusetts.
