Josh P. Roberts : A Parent's Guide to the Twin Cities and Minnesota before purchasing it in order to gage whether or not it would be worth my time, and all praised A Parent's Guide to the Twin Cities and Minnesota:

0 of 0 people found the following review helpful. Great bookBy Carla J. MadeuxThis book is great for planning a trip to Minnesota. It gives details about each place, prices and what age groups would enjoy it. It even lets you know if it is worth your time going to. It has really helped me to find fun and educational places to take my family.

For the settled Minnesotan and travelers alike, this guide offers more than 250 descriptions and listings of sites and happenings that provide plenty of ideas for day trips and overnight excursions. This essential guide includes recommendations for where to eat and stay, where to go for the best educational experiences, and how to find the most unusual destinations. Extensively cross-referenced with multiple indexes, it also includes a calendar of special events and resources for further information.

About the AuthorJosh P. Roberts is a travel and science writer whose work has appeared in the New York Times, Destination, and Drive. He lives in Minneapolis, Minnesota.
