From Camino Guides : A Pilgrim's Guide to the Camino Portugus: Lisbon - Porto - Santiago (Camino Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Pilgrim's Guide to the Camino Portugus: Lisbon - Porto - Santiago (Camino Guides):

2 of 2 people found the following review helpful. What would I do without it?By AlishaMI haven't started my Camino yet so may need to update my review at that time. However, this guide is incredibly comprehensive with tons of detailed maps and suggestions. I love the alternate route options and the details of the map suggestions.0 of 0 people found the following review helpful. A Must!By RllenasI highly recommend Brierly's guides on the Camino. I used his for Camino Frances and it was dog eared by the end of my journey. The guide is replete with maps outlining the paths, plus where the albergues and hostels are located for the pilgrims. This guide is for Camino Portugues, which starts in Portugal ending at Santiago De Compestelo in Spain. It also includes sights and photos you have the opportunity to see along the way. Buen Camino!1 of 1 people found the following review helpful. Great Guide But hard to read and followBy CDHelpful, but the amount of detail made the directions hard for me to follow. The good thing is that it covers the entire Camino Portugal. I liked the section providing some Portuguese and Spanish terms that one might find useful when doing the Camino.

Updated to include newer maps and photos and weighing less to support carefree traveling, the latest edition in these comprehensive guidebooks to the Camino de Santiago and its offshoots contains all the information needed by modern-day pilgrims wishing to walk the sacred Way of Saint James. Overview route planners plus all 23 daily stage maps and detailed town plans help sojourners with as much advance preparation as they need.The completely redone maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. For travelers who wish to walk the coast of Portugal.

About the AuthorJohn Brierley is a former chartered surveyor and the author of A Pilgrims Guide to Camino de Santiago, A Pilgrims Guide to Camino Finisterre, and A Pilgrims Guide to Camino Portugus.
