This new Florida Keys cruising guide is invaluable to boaters and a help to those on a Keys vacation. The Florida Keys have long represented a mecca for vacationers, cruising boaters, fishing fans, divers and watersports enthusiasts. Dozens of popular Keys destinations are depicted in stunning color aerial photographs in Keys cruising guide. The

dramatic color photography is accompanied by an introduction and other features on fishing, snorkeling and diving. Covering the Keys from its upper reaches in Biscayne Bay to the Dry Tortugas and Fort Jefferson, this book is the ideal memento of a treasured vacation, or the perfect gift. Several Miami area Keys in Biscayne Bay are featured including Virginia Key, Key Biscayne and Elliot Key. In the upper Florida Keys you will find features on Key Largo, Tavernier, Plantation and Whale Harbor. Among the middle Keys included are Islamorada, Upper Matecumbe Key, Indian Key, Duck Key, Key Colony and Marathon. Bahia Honda Key, Newfound Harbor, Stock Island, Key West, the Marquesas Keys and Ft.
