Peter and Beverly Pickford : African Safari: Into the Great Game Reserves before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Safari: Into the Great Game Reserves:

2 of 2 people found the following review helpful. Wonderful coffee table book By Gail H We saw this book when we visited Chobe Game Lodge and really wanted it, but they wouldn't ship it and it weighed too much to take along on the rest of our trip. I was very happy to see it at when I checked for it once I returned home. It made a great Xmas present for my husband and I also bought a second copy for some friends that had visited that area of Botswana on a previous trip with us. 1 of 1 people found the following review helpful. Five Stars By Customer Great Book, amazing pictures.... 2 of 2 people found the following review helpful. A reasonable read By Jacobus Brummer What this lacks in colour photographs it more than makes up for in colourful stories from even more colourful characters

An African safari is arguably one of the most alluring and easily understood dreams of our time. Just the thought of an African safari evokes thoughts of adventure, a journey through nature's greatest spectacle, a glimpse of the earth before man. African Safari is an exploration of all that the word safari encompasses, from journeys on horseback and dugout canoes, the quiet drifting of a balloon and the tension of waiting on foot to the smell of dung, soil and the rain. African Safari is an intimate odyssey through the great wilderness of Africa and an eye on its wild denizens, spiced

with the echoes of a romantic history. African Safari is divided into eight chapters: South Africa (Kruger the Kgalagadi) Namibia (Etosha, Damaraland and Kaokaland) Botswana (Okavango, Chobe, and Linyanti) Zimbabwe (Mana Pools and the Zambezi) Zambia (North and South Luangwa) Tanzania (Ngorongoro and the Serengeti) Kenya (Masai Mara, Amboseli, and Tsavo) Rwanda Uganda (Parc des Volcans and Mgahinga).

About the Author Peter and Beverly Pickford are among Africa's most celebrated photographers and authors. They have published 8 books under their own names and contributed to many others, including *Miracle Rivers*, which sold over 120,000 copies in 3 co-editions. Their work has consistently received critical acclaim, has won numerous international awards for excellence and has appeared in leading magazines.
