Larry Millett : AIA Guide to St. Paul's Summit Avenue and Hill District before purchasing it in order to gage whether or not it would be worth my time, and all praised AIA Guide to St. Paul's Summit Avenue and Hill District:

Let architecture critic Larry Millett be your guide to one of the most picturesque neighborhoods in the Twin Cities, a treasure trove of architectural styles and storied homes. This guidebook will satisfy your cravings for details about the structures and the people who built them. This handy guide expands upon the information in Millett's AIA Guide to the Twin Cities to cover homes, churches, parks, museums, and commercial buildings in the neighborhoods on and near St. Paul's Summit Avenue. Millett provides details about the architect and date of construction along with lively descriptions of design features and telling stories of inhabitants. This informative guidebook is perfect for tourists discovering the Twin Cities or residents exploring what is right next door.
