William K. Joric : Air Sick Humor before purchasing it in order to gage whether or not it would be worth my time, and all praised Air Sick Humor:

2 of 2 people found the following review helpful. FunnyBy Chaminda PrelisThis book has a lot if interesting stories filled with lots of humor. For someone that is involved with the aviation industry, it brings back lots of memories. Although some may think that a lot of the stories are fabricated, things like this do happen. I wish they could have gotten a lot more of these stories together and done a larger book. But overall it was funny the price I paid for it was right, and I would recommend this book to any one.1 of 1 people found the following review helpful. Absolutely

hilarious
By A Customer
I thought my job in law enforcement was entertaining. It is, but this book is a real gut-buster.
BRAVO!!
0 of 1 people found the following review helpful. Air Sick Humor alright!
By A Customer
If you like to laugh, this should do it.

Collection of humorous stories about air travel as related by airline personnel.

A hilarious look behind the cockpit door, galley curtain and "employee only" offices. What REALLY goes on! --
Airline Captain
All in a day's work. Unbelievable, but real. -- Airline Captain
It's hard to believe someone put all these stories on paper. -- Flight Attendant
About the Author
William K. Joric, Ph.D. is the author and publisher of over 30 technical publications. An educator, a military and current civilian pilot with over 5,000 hours, Bill also spends a huge amount of his time flying on the airlines. Combine this with his 30 year marriage to a former flight attendant, and his interest in humorous stories related to travel by air is obvious.
