**Bill Thompson III : Alabama Bird Watching: A Year-Round Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alabama Bird Watching: A Year-Round Guide:

5 of 5 people found the following review helpful. A Must Have for Alabama Bird WatchersBy C. WallaceThis book is excellent! My husband, grandson, and I have recently started bird watching. This book is an excellent resource. It is an easy read, has beautiful pictures, and has a lot of information. The only thing I wish it had would be pictures of BOTH the male and female birds. The book is still very much worth the price.0 of 0 people found the following review helpful. Five StarsBy gwenIt was for my Dad he loved it2 of 2 people found the following review helpful. Great pictorial referance!By Jimmy C.Great bird watching reference! Quick to locate and learn! Nice size . . small enough to

"tuck away"! Thanks.

Like gardening, bird watching is a fast-growing regional hobby. Now, Cool Springs Press brings its proven method of successful state-specific gardening approach to bird watching guides. In collaboration with Bird Watcher's Digest, these bird watching guides provide accessible, credible advice. The birds that frequent the backyards of Alabama differ from the birds that frequent the backyards of Tennessee. In addition to unique descriptions, each bird profile includes a range map to identify each bird's North American distribution. One hundred birds are profiled, each with a color photograph, to ensure accurate identification. A seasonal section informs the reader of: Migrating birds that can be seen during that season  
The foods and plants that can attract those birds  
Where to go to view year-round and migrating birds  
Cool Springs Press's partner, Bird Watcher's Digest, has sold more than 4 million copies of their booklets on bird species, bird habitat, feeding, and other related topics. This series of books from Cool Springs Press targets the beginning bird watchers for ten states.
