**Lynn Grisard Fullman : Alabama Family Adventure Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alabama Family Adventure Guide:

1 of 1 people found the following review helpful. Just when you thought there was nothing to do in Alabama! By C. Simpson This book is a jewel. It would take many weekends to visit all the places detailed in this book. It doesn't list EVERYTHING this great state has to offer but instead specializes in places you might not have heard about. I like

that. An interesting read for any Alabamian. Now, I'm headed off to the famous bug museum in Decatur!
