Holly Smith : Alabama Ghosts: They Are Among Us before purchasing it in order to gage whether or not it would be worth my time, and all praised Alabama Ghosts: They Are Among Us:

1 of 1 people found the following review helpful. Not up to parBy Lisa FranklinWasn't what I expected after reading it touted as a book on local Bama ghosts..more of a bunch of poorly done ghost stories for kids that might even make them yawn! Waste of \$0 of 0 people found the following review helpful. Enjoyable book of Alabama ghost storiesBy Michael L. JacksonThis is a well written, enjoyable book of Alabama ghost stories that is good for all ages. If you are looking for a book of ghost stories, I highly recommend this one.

They're Alabama's very own ghosts. And they are among us...: Old Tawassee was the last of the Creek Indians to live along the Coosa River. Was he there after he was hanged for murder? In Anniston, a family notices a strange figure in holiday pictures of their youngest child. Did a former resident return to share their joy? A young girl is befriended by another student on her first day at a new school. Has the friendly companion returned to her alma mater from another life? These and fourteen more spine-tingling Alabama ghost stories will challenge your sense of reality and keep you up at night with their delicious supernatural suspense. Are they creations of the pen of ghost-hunting author Holly Smith, or are they really out there, right in your own backyard?
