Gay N. Martin : Alabama Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alabama Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series):

0 of 0 people found the following review helpful. Sweet Home AlabamaBy Grace Photos On The GoI have bought other books Off The Beaten Path series. This book is light reading. There are many interesting places listed in the

book. They are not high traffic and over priced places. I like the places because they are more a personal level. You get the kind of one on one attention. I am going to continue adding the other series either to my kindle or hard copy collection. 0 of 0 people found the following review helpful. Not a guide, a description
By Christine S. Bates
If you happen to be traveling around Alabama and end up someplace this guide will tell you what you might find there. There is no itinerary or organization except by regions. It does not "guide" you or indicate whether one place might be more interesting than another. There are few funky mentions like the Farmer's Market Cafe or Tucker's Pecan in Montgomery for example. Descriptions of restaurants are lengthy but not critical, hotels are unrated. If you are used to using Fodor's this guide will infuriate you. 19 of 19 people found the following review helpful. Off the Beaten Path - Alabama
By Mary E. Miles
Although I am a native Alabamian, I spent most of my adult years outside the state. When I retired, I returned to Alabama. This book brought me up to date on things I missed or places and events I did not know about. It's an exceptional book. In fact, I have already purchased extra copies for my friends.

From Nocalula Falls and Park to the Rattlesnake Rodeo, this guide leads visitors and residents to often overlooked sites and events throughout Alabama.

From the Back Cover
Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, Alabama Off the Beaten Path shows you the Yellowhammer State you never knew existed. Stand in the spot where the Mother of the Civil Rights Movement was arrested and where the Montgomery bus boycott began. Shop for butter churns and collie puppies at one of the South's oldest and largest trade days. Or cheer on your favorite footless friend in the world's only rattlesnake race. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
