CorsiniIf you love barbecue, the south and need a guide to great barbecue in Alabama, this is a must read. It is an excellent reference guide while traveling the state of Alabama or if you are looking for another barbecue restaurant in your hometown.It is easy to read and the book has several cross references and maps to assist you in your search for the "heavenly BBQ." The publication also is easy to read and to understand.We keep ours in our car for emergency use when craving smoked meats of any kind.
