Alain Ducasse : Alain Ducasse's New York: 100 Gourmet Addresses before purchasing it in order to gage whether or not it would be worth my time, and all praised Alain Ducasse's New York: 100 Gourmet Addresses:

Acclaimed chef Alain Ducasse reveals his personal guide to the best eating, drinking, and hospitality the city has to offer. A perfect introduction to New Yorks food world for New Yorkers and tourists alike. There are many guides to New York restaurants, but this is the first one by Alain Ducasse, the critically acclaimed French chef and multiple-time winner of three Michelin stars in two different cities. From Brooklyns hippest new restaurants to Manhattans best street vendor hot dogs, Ducasse reveals his personal selections of Gothams best culinary destinations. This intimate

hardcover comes with a foldout map that is perfect for popping into hand luggage or tucking into a coat pocket. This compact guide focuses primarily on Manhattan and Brooklyn, revealing Ducasses favorite spots, special finds, and gourmet delights. It captures New Yorks globally inspired palette of flavors and aromas that blend together into its own unique food culture producing some of the worlds best and most innovative restaurants. From bistros, gelaterias, and bakeries to old-fashioned "appetizing" delicatessens, greenmarket stands, and five-star restaurants, any culinary location that is special to New York and at the top of its game, is included in Ducasses guide.

"Considering that Alain Ducasse is a critically acclaimed French chef and Michelin-star magnet, it's fair to say Ducasse knows his culinary stuff. In this small but elegantly designed book that revolves largely around Manhattan and Brooklyn, he describes his favorite restaurants, markets, kitchenware stores, bakeries, ice cream shops, cocktail bars, coffeehouses, food trucks, street vendors and even bookstores that specialize in new and out-of-print culinary titles.. .Even if you think you know New York's culinary scene well, readers should find many pleasant surprises here."-THE CHICAGO TRIBUNE"[Alain Ducasses New York: 100 Gourmet Addresses]serves a dual purpose. First, if you have favorite culinary sites of excellence in New York City, your own impeccable judgement will be confirmed here. . .the second purpose of the book will bring you hours of satisfaction: here are gems that you probably have not heard about, or had time to visit, but now have real inspiration to sample. . .Rush out, get your copy of this book, put on your walking shoes, and begin a memorable culinary odyssey. This is a book filled with food for thought. And your tummy."-CookingByTheBook.com"TitledAlain Ducasses New York: 100 Gourmet Addresses, the small orange book will forever be tucked into the handbags and backpacks of locals and tourist alike who are on the search for their next best meal. Including tried and true favorites of Manhattan, Brooklyn, and beyond as well as up and coming establishments, the guide breaks things down by location, type, and price. Whether on foot or riding the subway, a fold out map will help you quickly find the next foodie stop on your adventure."-HonestCooking.com"Alain Ducasses New York: 100 Gourmet Addressesis a curated culinary guide to New York Citya perfect read or reference for foodies, whether born and bred New Yorkers or tourists. . .Although the cover is orange, it feels as if you have been handed the chefs personal 'little black book' with his favorite food-related establishments in New York City."-MoreTimeToTravel.com"You can trust Monsieur Ducasse. His judgment is impeccable. . . [Alain Ducasse's New York] is chef Alain Ducasses personal guide to the best eating, drinking, and hospitality New York City has to offer, a perfect introduction to New Yorks food world for New Yorkers and tourists alike. From Brooklyns hippest new restaurants to Mannhattans best street vendor hot dogs, Ducasse reveals his personal selections of Gothams best culinary destinations."-ENTREE TRAVEL NEWSLETTERAbout the AuthorAlain Ducasse is also a restaurant designer, hotelier, and the first chef worldwide whose restaurants have been awarded three Michelin stars in two different cities. Over a thirty-year period, he has helped define the contemporary art of living and eating.
