A fantastic guidebook describing some of the off beat places in Alaska. If you want the true Alaskan experience, get this book. It contains over 200 restaurant and lodging reviews and stories of the 'best' places in Alaska. One of the three must travel books (Milepost, Discovering Denali, and Best Places Alaska) if you are going to the Last Frontier.

By Midwest Book Review
Best Places Alaska is an outstanding travel guide that features only the 'best' restaurants, lodgings, and destinations in Alaska, including guides and outfitters in its lists of recommendations for particular Alaskan regions. An excellent, involving survey of Alaska's best places, Best Places Alaska is a recommended take-along tote.

Alaska Best Places is the only evaluative guide to the the Last Frontier. With hundreds of outdoor adventure ideas, restaurant and lodging reviews, and a new section on Whitehorse and Dawson, this locally written guide is bigger and better than ever.
