For anyone who's ever been to Alaska, looking at this map is a torturous delight.By Mike SmithMy wife gave me this map for my birthday, as a token of her desire (or just her willingness) to paddle the entire length of the Aleutian Island chain with me.I used to live in Alaska, and when I open this map I'm overcome by the memories of its small towns and loneliest roads, and by the excitement of planning our epic Aleutian trip.If you love Alaska, be warned: this map will put your mind there, and your mind will start relentlessly scheming up ways to get you back there.The map has good details, and seems fairly complete for the size it is. I think you'd like it.
