Andromeda Romano-Lax : Alaska's Kenai Peninsula: A Traveler's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaska's Kenai Peninsula: A Traveler's Guide:

11 of 11 people found the following review helpful. Don't waste your time or moneyBy DotLTotally useless book...more like a nice travel brochure. Took us more time to order it (and return it) than to read it. If you need/want a book, spend the money and get a Lonely Planet instead.25 of 25 people found the following review helpful. Use Google instead!By CustomerKeep your \$10 and search the web instead. 94 small pages. Mostly history, very little info to help you plan your trip. "A Traveler's Guide" - I don't think so.

The definitive guide to the Kenai Peninsula. Enjoy mountain peaks and blue glaciers, rushing rivers and aquamarine lakes, coastal islands, abundant wildlife, and king-size salmon.
