Marybeth Holleman : Alaska's Prince William Sound before purchasing it in order to gage whether or not it would

be worth my time, and all praised Alaska's Prince William Sound:

0 of 0 people found the following review helpful. Five StarsBy Mac GalA great little book we are using to plan our summer trip.0 of 0 people found the following review helpful. Alaska's Prince William SoundBy Emily KingAmazing booklet with interesting facts and photos. It's a great piece of information for all ages. I highly recommend the purchase of this book.

Whether one is planning a trip to Prince William Sound or remembering one, this fascinating pocket guide is a must-read that explores how the sound was formed, considers the effects of oil spills and earthquakes, and profiles the native peoples and diversity of plants and animals of the region. 50 color photos. Map.

About the AuthorHolleman teaches creative writing, women's studies, and literature at the University of Alaska.
