**Sarah Eppenbach : Alaska's Southeast: Touring the Inside Passage** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaska's Southeast: Touring the Inside Passage:

Discover the rich landscape and scenic beauty of Alaska's Inside Passage, including Skagway, Haines, Juneau, Sitka, Petersburg, Wrangell, and Ketchikan. Alaska's Southeast details the region's history, culture, geography, and flora and fauna. It also provides extensive information on when to go, what to bring, how to get there and how to get around, where to eat, and where to stay. With more than 10 million acres of forest, 1,000 islands, 10,000 miles of shoreline, 50 to 70 major glaciers, and thousands of brown bears and eagles, Alaska's Southeast offers much to be explored.
