**Steven C. Levi : Alaska Travel-Smart** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaska Travel-Smart:

Alaska Trvail-Smart is different - it lists only the best. Author Steven Levi is an expert on Alaska - he has written

extensively on the state, its history, and its people. Whether, you're planning a great day, a weekend getaway, or an extended trip, you can count on his recommendations for good values, undiscovered treasures, and simply the best places to eat, stay, and sightsee!
