early stages of planning a trip to Alaska that includes wildlife viewing (and what trip doesn't?); however, if you are going to Alaska's Inside Passage or the Kenai Peninsula, you will find the Alaska Department of Fish and Game's more recent regional wildlife viewing guides provide a better level of detail. For the Kenai Peninsula check out the 2007 Alaska's Kenai Peninsula Wildlife Viewing Trail Guide. For Alaska's Inside Passage check out the 2006 Alaska's Inside Passage Wildlife Viewing Guide.
