Johan Adrian Jacobsen : Alaskan Voyage, 1881-1883: An Expedition to the Northwest Coast of America before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaskan Voyage, 1881-1883: An Expedition to the Northwest Coast of America:

1 of 1 people found the following review helpful. Four StarsBy CustomerGood book for history study.0 of 0 people found the following review helpful. First hand account of early AlaskaBy Erik D. HilsingerI bought this in the hopes of having a good first hand account of Tyonek, but I see that there is a lot of potential for more accounts of other areas visited. This is a long term investment in understanding this period of Alaskan history, much as the accounts of the Kilbucks and other Moravian missionaries, Hannah Breece and other schoolteachers, whalers like Charles Brower, and others whose adventures brief and long document the American period colonization of Alaska.
