alaska photographers : AlaskaTime 2000 weekly planner before purchasing it in order to gauge whether or not it would be worth my time, and all praised AlaskaTime 2000 weekly planner:

An engagement style calendar/planner with outstanding photos from all corners of Alaska by Alaska's top photographers. Also features quotations from noted philosophers, conservationists and naturalists. Superb quality. Business style format with space for extra note taking. Spiral bound 8.5x7 vertical; 112 pages.

From the Publisher This is the fifth edition of this calendar and one of our best ever. We reviewed more than 6,000 photos from Alaska's top photographers. Every page is a stunning view of the nature of Alaska. Not sold in retail stores outside of Alaska. About the Author Photography by award-winning Alaska photographers.
