Cheatham This is a large paperback book. We were pleased with the color photos and is a good book on the life of Albert.

Every fan old enough to punch out the space next to his name on the All-Star ballot can tell you that Albert Pujols is a one in a generation hitter and the only player in baseball history to hit .300, hit 30 or more home runs and drive in 100

or more runs in his first eight seasons in the majors. *Albert Pujols: Simply the Best* offers a compelling portrait of this superstar's life and prolific career.
