20 wonderful photos of the largest ballooning event in the world.

From the Back Cover The first weekend in October means one thing in New Mexico: the skies over Albuquerque are transformed from their normal brilliant blue into a kaleidoscope of color. What was initially thirteen balloons launching from the parking lot of the Coronado Shopping Center is now Balloon Fiesta, a ten day, aerial feast of colors, shapes, and wingless flight. These twenty postcards celebrate this magnificent, majestic experience, and are yours to treasure, to share, or to send.
