**Harry W. Havemeyer : Along the Great South Bay: From Oakdale to Babylon, (Long Island, NY) the Story of a Summer Spa, 1840-1940** before purchasing it in order to gage whether or not it would be worth my time, and all praised Along the Great South Bay: From Oakdale to Babylon, (Long Island, NY) the Story of a Summer Spa, 1840-1940:

1 of 1 people found the following review helpful. This is a great book!By Philip F. QuinnWell researched and very well written, imbued with just the right amount of personal insight, as the author was a scion of the period. I love history; the more local- the better. This is where the book really shines! The author focuses on a relatively small geographic area, and only a scant hundred years. But they are definitely formative years. For the author, as well as the region. Anyone who grew up here or lives in the area now and appreciates it, would undoubtedly enjoy this book. Just about every neighborhood along Montauk Highway from Babylon to Oakdale is touched upon, as well as the rich history of nearby waters. Read this book and your surroundings begin to make much more sense. The names of local roads, neighborhoods, restaurants, parks, teams- whatever, take on a new meaning when you understand their origins.1 of 1 people found the following review helpful. Very InformativeBy Roberta HorowitzIf you are in the market for information on the Great South Bay of Long Island, NY, then you have come to the right place! The info is diverse and complete, and there are some very interesting photos as well. Very High marks!3 of 3 people found the following review helpful. What I wish I knew as a kid growing up in IslipBy trianjWhat a sweet trip down memory lane. Havemeyer covers it all. Must reading for anyone interested in the history of the Islips. Very comprehensive and informative.
