Hal Roth : Always a Distant Anchorage before purchasing it in order to gauge whether or not it would be worth my time, and all praised Always a Distant Anchorage:

0 of 0 people found the following review helpful. It's a pretty good book and Roth is a great writer By M. Wise I've now read this book 3-4 times. It's a pretty good book and Roth is a great writer, although, a couple of things set me on edge: Roth's insistent preaching about the metric system and determination that he would only use it. Sorry, I guess I'm an ugly and ignorant American, because I found it jarring and it literally ripped me out of the story into annoyance at this. When I was in school, Jimmy Carter tried to change the US to metric and we didn't like it OR accept the notion. Forcing change isn't the answer. Anyway, I was just reading this again and it hit me, smack in the face. Anyway, otherwise, Hal Roth is a good writer and really brings you into his story. 0 of 0 people found the following review helpful. Four Stars By Deana Excellent sailing travelogue, although I think the ports they visited are more crowded now. 0 of 0 people found the following review helpful. For husband. By Lady in Louisiana He has been a sailor all of his life until he sold his Westsail. He enjoys reading sea stories. He was familiar with Hal Roth who wrote for Sail magazine.

A stunning account of the 46 month, 30,786-mile sailing trip around the world made by Hal and Margaret Roth in their yacht Whisper. Illustrated.

"... a delightful book that weaves the story of Odysseus with that of the Roths..." -- Sailing" ... is a charming chronicle of two years spent cruising in the Mediterranean with a purpose." ... -- The Ensign
