It makes a great gift for any occasion. We put it with our other "coffee table" books and our guests always start reading it. Lots of fun for kids of all ages!

The great state of Texas boasts many proud but curious traditions and trivia and this third volume of the Amazing America series enumerates fascinating facts, entertaining tales, bizarre happenings, and historical oddities that give the Lone Star State its intriguing and distinctive character. Native Texans, history enthusiasts, curious travelers, and armchair aficionados of Texas lore will be delighted by the unusual aspects and obscure details celebrated in these pages. Specific locations and visitor information make this a useful guide to further explore the history, folklore, and folkways of this vast and diverse state.
