**Michael Tougias : AMC's Best Day Hikes Near Boston: Four-Season Guide to 50 of the Best Trails in Eastern Massachusetts (Amc Nature Walks Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised AMC's Best Day Hikes Near Boston: Four-Season Guide to 50 of the Best Trails in Eastern Massachusetts (Amc Nature Walks Series):

0 of 0 people found the following review helpful. Walk the dog....By M. MindlessIf you live near Boston and you like to hike, this is a great reference book. Has many places in Eastern Mass for hiking, etc. Great gift for the outdoor person.3 of 3 people found the following review helpful. This is a great book by a respected local author.By a reader from MassachusettsGreat book. The AMC guides are so thorough, but this is thorough and readable. Enjoy New England with this book.0 of 1 people found the following review helpful. Great purchase.By Elisabeth HoganItem was exactly as described. Shipped very fast. Great purchase.

Discover fifty pockets of wilderness bursting with flora and fauna on scenic trails within an hour of Boston. Ideal for families, nature lovers, and hiking enthusiasts, AMC's Best Day Hikes Near Boston leads explorers to the area's most interesting woodlands, reservations, and nature preserves from the North Shore to Concord and the Lincoln Woods, from the Middlesex Fells to the Blue Hills Reservation, and south to the Cape. This handy guide includes directions, trail maps, photos, and Nature Notes that highlight the natural history of the area, including rare bird species and ancient trees. Each trip description includes a summary of the trip time, distance, and difficulty, plus an icon indicating whether the trail is also good for snowshoeing or cross-country. The guide features appendices covering winter recreation, such as cross-country skiing and snowshoeing, as well as local rock climbing and other opportunities for outdoor adventure in the region, making this guide an essential four-season reference for locals and visitors alike.Special features include:Fifty day hikes for all ability levels, ranging from one to eight miles longDetailed and accurate trail descriptionsLocator map and "At-A-Glance" highlights chart for easy trip comparison and planningHiking and safety tipsDetailed maps showing parking areas, trails, and natural highlightsNature Notes about prominent species and unique natural features of each hikePhotographs of plant and animal life reflecting each trip's hidden wonders

About the AuthorMichael Tougias, an expert on the wild places in Massachusetts, has authored many books about New England, including New England Wild Places, Autumn Trails, Quiet Places of Massachusetts, and Until I Have No Country: A Novel of King Philip's War.
