**J. Kingston Pierce : America's Historic Trails: With Tom Bodett** before purchasing it in order to gage whether or not it would be worth my time, and all praised America's Historic Trails: With Tom Bodett:

0 of 0 people found the following review helpful. Wonderful insightsBy MaryAfter watching the PBS program, I

became interested in the great trails described. This book has it all, the route, the history, etc. Just came home from traveling the mission trail in CA. I recommend this book to people who like road trips, and American history. I do, so this was an excellent purchase for me. 0 of 0 people found the following review helpful. Better than most high school history classes!!! By J. Mastrud Fantastic overview of our historic trails. Provides some little known facts and introduces the viewer to everyday men and women who made substantial contributions to US History

Featuring maps and travel information, an illustrated companion book to the thirteen-part public television series leads travelers and history buffs along ten extant wilderness trails and wagon roads that helped shape American history. Original. TV tie-in. 25,000 first printing. IP. "
