**American Map Corporation : American Map: Baltimore, City Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised American Map: Baltimore, City Map:

1 of 1 people found the following review helpful. Good map, not enough coverageBy Kansas GirlThis is a great map, as far as it goes. It has extremely clear and well-marked streets, and they are very easy to read. Unfortunately, it only gives you the city of Baltimore itself, not any of the surrounding urban areas. Presently, much of Baltimore has spread northward into an area known as Towson. This is the area we needed most, so it was frustrating to see that it is not included in this map.

This Baltimore and Vicinity map features points of interest, airports, camping facilities, parks, selected local attractions and more. State maps feature insets of major cities. Our city map offers additional detail, with depiction of streets on one side and a large scale metro area road map on the other.
