Not Available (Na) American Map Corporation : American Map Central/Eastern Connecticut Street Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised American Map Central/Eastern Connecticut Street Atlas:

2 of 2 people found the following review helpful. EXCELLENT CT STREET ATLAS_Much needed and Hard to find By C. P. Wilson Hard to find. Excellent quality. We need more of these in production. Even in an age where people turn to their smart phones for instant (more short sighted) maps there is no substitute for a good thorough street atlas that does not only allow you to see where you are and where your going but contextualize the space around you. The directions given on smart phones are often poor if you have an understanding of the big picture, which only a real hard copy map/atlas like this can give you. HAGSTROM (and their affiliate companies..ie American Map) IS THE

BEST!!! PLEASE DON'T GO AWAY!!!
