This map is great for reference when we are driving around the city of Cleveland. I also like the fact that it is laminated to resist liquids and general wear. It serves it's purpose well.

I thought that this would be a detailed street map of Cleveland and the surrounding areas. It only includes major streets.

Out of towners can travel with confidence when using Slicker maps. Easy to handle and easy to read, Slickers fold and unfold in a flash. Slickers are laminated which makes them markable and very durable, withstanding everyday usage during any travel itinerary you plan. This city slicker includes points of interest, parks and recreation, schools, shopping centers, hospitals and much more.
