From Amer Map Co : American Map City Slicker Downtown Washington, DC before purchasing it in order to gauge whether or not it would be worth my time, and all praised American Map City Slicker Downtown Washington, DC:

0 of 0 people found the following review helpful. Metro lines and stations not clearly marked. By A. Kashdan The bright side is the durable material this map is made from, which guarantees no wrinkles and easy folding. However, when it comes to the information presented, then I was disappointed. After my visit to DC it was obvious to me that the Metro stations and Metro lines are not clearly shown. Also, the map does not show the route and stops of the Circulator bus, which is a rather new and useful mean of transportation for visitors. Finally, I ended up using the free tourist map that I took from the hotel lobby.
