From Amer Map Co : American Map Corporation Cincinnati, OH Slicker (City Slicker) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Map Corporation Cincinnati, OH Slicker (City Slicker):

Cincinnati MapBy Warren RosmanThis is not a good map. It gives you just Cincinnati, but if you're going into the suburbs or Kentucky it has almost nothing. The small suburban map it provides has not nearly enough detail.This is a map meant to look good, but it fails because it doesn't provide the information necessary for people planning a trip to Cincinnati or for Cincy people to travil around their own city.

This slicker shows highways, airports, parks, forests and points of interest.
