It will be good for places that have been here for a while but I will be looking for a more current map book.0 of 0 people found the following review helpful. Map book gets you thereBy Jean GreenwoodThe American Map Company provides an accurate, intuitive, and quality product. I use the map book regularly and have found it reliable and convenient.

Large scale atlas with street level detail showing ZIP Codes, block numbers, schools, hospitals, points of interest,

shopping centers, airports, parks and much more. Fully indexed.
