**From Hagstrom Map Co : American Map New York State Road Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised American Map New York State Road Atlas:

3 of 3 people found the following review helpful. not recommended for motorcyclistsBy Tom RMany backroads are not shown. Main roads are drawn to large scale. Useless for planning rides using narrow twisty country lanes.0 of 0 people found the following review helpful. Excellent mapBy J-LOVery clear mapping, large print and easy to use, with additional tourist information. A good buy.

The New York State Road Atlas contains clear, completely up-to-date maps with a large scale for ease of use. Inside this atlas, you'll find: # 15 individual city maps # An Eastern New York Interstate Highways map # A "Salute to New York" section containing full-color photos and descriptions of major points of interest # A New York Discovery Guide providing descriptions and contact information for popular destinations organized by region # Indications of beaches,

airports, campsites, schools, wildlife areas, golf courses, parks, racing tracks, wineries, ski areas and other points of interest The New York State Road Atlas also includes up-to-the-moment updates, such as the recent re-opening of the Isamu Noguchi Museum in Queens, the Dia:Beacon Riggio Galleries in Beacon, and the expansion of the Hudson Highlands State Park.
