I would not buy this item again.0 of 0 people found the following review helpful. Had hoped for more detail.By Roscommon ReaderMore detail than a AAA map of Virginia, but less than a true road atlas. Only primary roads are shown.2 of 3 people found the following review helpful. Good map book but does not cover all of the indicated areaBy Katharine S. DupreThis book came in a reasonable amount of time but does not cover Suffolk which is definitely part of the Hampton Roads Area.

Unfortunately, I was most interested in Suffolk.

The Virginia State Road Atlas is fully street-indexed and contains large-scale road maps of major areas, and easy-to-read street maps of individual cities. Maps indicate recreational facilities and other points of interest. At home, at work, or on the road, our atlases are a driver's best friends. Accurate, up-to-date and easy-to-read, street atlases provide convenient, clear reference for navigating close to home or points unknown.
