It gives all the information you would need to have a fun and exciting day at any park in the U.S. or Canada. Mr. O'Brien has done a masterful job of helping you plan your visit by giving the operating times as well as the best rides and shows. There is also a listing of all the roller coasters in the park. His vivid description of the park gives you the feeling of being there. I would recommend this guide book to anyone planing a trip to an amusement park in the future.1 of 2 people found the following review helpful. A must for every enthusiast!!!By A CustomerThis is a great book!! It is well worth your money. If you are planning a vaction, then buy this book. It has theme parks from Disney to Universal Orlando, to Cedar Point, all of the Paramount Parks and many, many more!! The ultimate guide to rollercoasters is this book!!12 of 12 people found the following review helpful. A must have for any family that is in to amusment parksBy A CustomerA great guide to all parks in the U.S. and Canada. A must have for road trips, packed with consise but informative information about each park and the rides contained in it but not so much as to ruin the experience.

This vibrant collection of both amusement and waterparks presents the low-down on special events, entertainment, top rides, directions to the park, admission fees, operating hours and more.
